

FEDERAL TRANSIT BENEFITS ACT

**HON. JAMES P. MORAN**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, March 14, 2005*

Mr. MORAN of Virginia. Mr. Speaker, today I am introducing the Federal Transit Benefit Act. This legislation codifies Executive Order #13150 that directed all executive branch agencies to provide their employees in the national capital region with the full tax-free transit benefit provided under current law.

Initially the benefit was set at \$65 per month, but increased to \$100 per month beginning in January 2002.

Give up your car and parking spot and you can receive a voucher to cover a portion of your transit or van pool cost commuting to work. The benefit has been a godsend to this region, helping to reduce traffic congestion, reduce air pollution and improve quality of life issues for Federal employees.

The Metropolitan Washington Council of Government estimates that this benefit has boosted ridership in transit services and van pools by more than 100,000 Federal employees and reduced vehicle miles traveled between 40 million and 54 million.

The legislation I am introducing today will extend this benefit to the other branches of the Federal Government, the legislative and judicial branches, all independent Federal agencies, postal workers and the Smithsonian that were not covered by the executive order.

I have long sought to maintain parity in salaries and benefits for all Federal workers. This legislation restores parity ensuring that those Federal agencies that don't currently provide this benefit for their employees will do so.

The legislation will also remove current law restrictions and enable Federal agencies to offer their employees shuttle services between their office and transit centers like Metro, MARC, and Virginia Railway Express. Under current law, Federal agencies are prohibited from providing shuttle services to their employees if it is not a part of official business.

The Federal Government is the region's largest employer. As such, it can and should do more to help its employees cope with some of the Nation's worst traffic congestion and in doing so help reduce harmful automobile emissions that have pushed this region into severe nonattainment.

This legislation was unanimously approved by the House Government Reform Committee last session. Its need is long overdue.

HOUSE RESOLUTION EXPRESSING  
SUPPORT FOR MEMBERS OF THE  
UNIFORMED SERVICES

**HON. C.A. DUTCH RUPPERSBERGER**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Monday, March 14, 2005*

Mr. RUPPERSBERGER. Mr. Speaker, I am honored to join my colleagues—Congressman TOM DAVIS of Virginia, Congressman WALTER

JONES of North Carolina, and Congressman STENY HOYER of Maryland—to introduce a truly bipartisan resolution expressing support for the members of our Armed Forces and their families. In particular, this resolution offers support for those service members wounded or severely injured in service to the Nation, as well as support for the newly established Military Severely Injured Joint Support Operations Center. With the 2-year anniversary of Operation Iraqi Freedom arriving on March 19, I can think of no better way to salute our disabled and severely disabled troops who have returned home than the quick and bipartisan support of this resolution.

This resolution recognizes many efforts made by our brave men and women in uniform. It reaffirms our support for all members of the Armed Forces and their families. It acknowledges that all returning troops—whether an active, National Guard or Reserve component—should be treated with the same degree of dignity and respect. It pledges our desire to help all injured, wounded, and severely disabled service members returning home by providing the assistance they require to navigate the complicated medical and bureaucratic processes to transition back to active duty or civilian life. Most important, this resolution specifically acknowledges the number of National Guard and Reserve components called for prolonged duty in today's military and pledges Congressional support to the Department of Defense Joint Support Center to ensure we take care of our own once we bring them home.

I applaud the action of the Department of Defense for establishing the Joint Support Center on February 1, 2005. I, along with Mr. JONES and Mr. HOYER, proposed the same concept in H.R. 5057 in the 108th Congress. That bill was eventually introduced in the Senate by Senator BOND and Senator KENNEDY. It received full endorsements from every major veterans' and military service organization. We are proud to see that effort taken up by the Pentagon and welcome the Joint Support Center. This resolution supports the Pentagon's initiative by expressing Congress's strong commitment to the center and our assistance in ensuring that the center receives the resources it needs to succeed in its mission.

Mr. Speaker, I urge my colleagues on both sides of the aisle to join me in passing this resolution quickly to send a clear message to our service men and women that the Members of the U.S. House of Representatives in the 109th Congress are firmly behind them.

#### A TRIBUTE TO THE UNITED JEWISH ORGANIZATIONS OF WILLIAMSBURG

#### HON. EDOLPHUS TOWNS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, March 14, 2005*

Mr. TOWNS. Mr. Speaker, I rise today in recognition of a distinguished organization, The United Jewish Organizations of Williamsburg. It is an honor to represent The United Jewish Organizations of Williamsburg in the House of Representatives and it behooves us to pay tribute to such a selfless organization.

Mr. Speaker, The United Jewish Organizations of Williamsburg was founded in 1966 to help families in need in South Williamsburg. Over the course of its 39 years of service to the Brooklyn community The United Jewish Organizations of Williamsburg has thrived marvelously where today it represents more than 50,000 community residents and 148 not-for-profits, religious, educational, charitable organizations and civic associations in the Jewish community of Williamsburg, Clinton Hill and Bedford-Stuyvesant.

Under the tutelage of their President, Rabbi David Niederman, The United Jewish Organizations of Williamsburg has established itself as a direct provider of social and housing services and is the address for urban planning, public health and community development services for the Jewish community of Greater Williamsburg.

The United Jewish Organizations of Williamsburg, has been a leader in providing low-income housing to the Williamsburg community. Their most recent project includes the development of a waterfront property at the site of the former Schaeffer Brewery, which has 149 housing units reserved for low-income people. Additionally, they are the central address for the New York State and New York City Departments of Health and the Center for Disease Control in researching and conducting pilot projects on Cancer and Shigellosis in the culturally rich Hasidic Jewish community. They have also been instrumental in providing treatment to those suffering from the adverse affects of tobacco as well as being involved in collaborative efforts with other not-for-profits in providing for the overall betterment of the Williamsburg community.

Mr. Speaker, I believe that it is incumbent on this body to recognize the achievements of the United Jewish Organizations of Williamsburg. After the destruction and decimation of many Hasidic dynasties in Europe during the Holocaust, it is truly an inspiration to see the Hasidic sects of Satmar, Pupa, Vishnitz, Vien, Tzelem, Skver, Klausenberg and Spinka join together under the umbrella of The United Jewish Organizations of Williamsburg and call Brooklyn their home.

Mr. Speaker, may our country continue to benefit from the civic actions of The United Jewish Organizations of Williamsburg and community groups similar to them.
